Family Support 360

- Family Support is not a single service, but rather a group of flexible services and supports designed to meet the varied needs of participants and their families
- Family Support recognizes and values the contribution of natural supports such as extended family members, friends, neighbors, church organizations, and community organizations

Why we are here?

- Family Support 360 Waiver renewal 2012
- Public Input
 - Requesting assistance to assess current and future services and supports
 - What works well in FS?
 - What changes could be recommended in FS?
 - Activities to gather public input
 - Public Forums
 - Surveys

What is a waiver?

- CMS' authorization to provide home and community based services
- Waiver of institutional level of care
- HCBS services provided in lieu of ICF/MR services

What is a waiver?

- Program requirements
 - Budget neutrality
 - Protection of Health and Welfare
 - Administrative authority and the operating agency
 - Adequate and reasonable provider standards
 - Services provided in accordance with the plan of care

What is a waiver?

- Waiver application:
 - A template of services identified by the Federal Government
 - The State defines the services provided by the waiver
 - The State describes how services will be delivered
 - The State outlines the overall operation of the waiver

What is a waiver?

- The waiver application consists of:
 - Waiver Administration & Operation
